

# Tractor Ted<sup>®</sup>

**Step 1:** Print as many sheets of paper chains as you need! Carefully cut each paper chain out using the lines above.

**Step 2:** Take the first strip of paper and loop it into a circle, overlapping the ends slightly and seal with a little bit of glue (or a glue dot if easier).

**Step 3:** Feed the next strip of paper through the first circle and seal like before. This is the first 'link' in your chain! Continue until you've made enough paper chains to decorate your bedroom!
